Subject: Care for [REDACTED]

Dear Dr. Caprioli,

This note is long overdue as a thank you for taking such wonderful care of my husband. Your expertise and compassion were the perfect ingredients for him to heal from a very threatening condition. Thankfully, his foot is healthy and the experience we had with you was a bright spot as we try to combat his various challenges. As a token of our appreciation we are also sending a thank you gift card, which will arrive either by regular mail or email. We will always remember the kindness and patience you showed [REDACTED], in addition to how well he responded to you.

With much appreciation.
